URBAN PACIFIC

"We turn your plans into a profitable project"

URBAN PACIFIC PROVIDES PROJECT MANAGEMENT AND DEVELOPMENT SERVICES

We provide project strategy, underwriting, entitlements, design management, and construction management services on all project types: residential, commercial, retail, and industrial

Case study project: Full redevelopment of a former Joe's Crab Shack into San Pedro Fish Market's newest location on Alamitos Bay in Long Beach, CA. We provided design management, entitlements, capital advisory, and full construction management services.

WHO DO WE HELP?

Development, construction, and project management for:

- *Non-developers*
- *New developers*
- *Institutional and HNW Investors*
- *Family offices*
- *Lenders*
- *Non-profits*
